The team after discussion with the Secretary, School Education, Joint Director Higher and Technical Education, Govt. of Mizoram, Principal and Vice- Principal DIET, Faculty Members. verification of documents & office records and visit to the various facilities of the institution observed the following:

1. District Institute of Education and Training (DIET), Aizawl, Mizoram-is a Government Teachers' Training Institute of Government of Mizoram which has been established in the year 1953 and comes under SCERT. As of now the institution has been offering D.El.Ed. programme affiliated with MBSE for which it has the recognition of NCTE (ERC/71-14/2000/1572 dated 19/7/2000) with a sanctioned intake of 120 students. and has been successfully running this programme from almost two decades.
2. The institution has submitted its application for the affiliation of its B.Ed. (Two Year) programme for provisional affiliation with Mizoram University from the academic session 2018-19 for which Eastern Regional Committee (NCTE), Bhubaneswar, Odisha has already granted recognition/permission to DIET, Aizawl for conducting B.Ed. course of two years duration with intake of 50 (One basic unit) from the academic session 2017-18 (Copy enclosed).
3. The institution has required infrastructural facilities in terms of classrooms, multipurpose hall, Principal and Vice-Principal Room, Office Rooms, Girls' Common Room, Faculty Rooms, Drinking Water Facility and Separate Toilets for male and female faculty, staff and students.
4. Instructional facilities such as ICT lab, CDs & DVDs, language lab, psychological lab, and art and craft lab are also available to run the proposed B.Ed. course.
5. The institution has been imparting elementary teacher training for many years, so there is quite a good number of books, encyclopaedias, dictionaries, and research journals, some which will also be relevant for the proposed B.Ed. Programme. Besides, the institution has placed order for the procurement of new books for the proposed B.Ed. programme.
6. The institute has the required supporting staff for both programmes viz. D.El.Ed. and B.Ed.

Inspection Team Recommendations

21/5/18

7. As per the NCTE Regulation 2014 the institution requires only 8 teachers including Principal/Head of Department (in the rank of Associate Professor) for offering B.Ed. programme. As per the list submitted to the inspection team, the institution has booked 14 teachers for the proposed B.Ed. programme as per the details given as under:

- a) 7 Teachers for Perspectives in Education/Foundation Courses
- b) 2 Teachers for Teaching of Social Sciences
- c) 2 Teachers for Teaching of English/Languages
- d) 1 Teacher for Teaching of Physical Sciences & Mathematics
- e) 1 Teacher for Teaching of Life Sciences.
- f) 1 Faculties for Fine Arts

However, the institution does not have exclusive teachers for the teaching of pedagogy papers of Mathematics and Mizo.

8. The present Principle of DIET, Aizawl does not have the required minimum qualifications, as per NCTE norms, to be the Principle/Head of the Department for B.Ed. programme.
9. The proposed B.Ed. Programme of DIET, Aizawl, if granted affiliation by MZU, will fall within the purview of Directorate Higher and Technical Education, Government of Mizoram, not under the Director, SCERT, Mizoram. This may necessitate certain administrative changes on the part of the state government.

IV. RECOMMENDATIONS:

In view, the above observations, the members of the inspection team unanimously agreed to recommend the grant of Provisional Affiliation of B.Ed. Programme DIET, Aizawl with Mizoram University for three years with following conditions.
