PRINCIPAL'S MESSAGE

It gives me immense pride to present the Annual Report of the District Institute of Education & Training (DIET) Aizawl for the Academic Session 2025-26. This year has been a testament to our collective resilience, innovation, and commitment to excellence in education.

This Annual Report has provided valuable information about DIET Aizawl activities and performances, which in turn provides avenues for future development of Teacher Education System in the State.

None of this would be possible without the dedication of our faculties, the enthusiasm of our trainees, and support of our ministerial staffs. As we step into the next academic year, we remain committed to shaping responsible, skilled, and compassionate citizens for tomorrow's India.

I would also like to applaud Curriculum, Material Development and Evaluation (CMDE) branch for their diligent work in compiling and presenting the year's developments. I sincerely hope that this Annual Report will serve as a vital resource for function and roles of DIET Aizawl in the education sector of the State.

A GLIMPSE OF DIET AIZAWL

District Institute of Education & Training (DIET), Aizawl is a prestigious Teacher Education Institution whose history dates back to 1953. It was originally established as a training institute for Primary School teachers on September 1, 1953. During this time, it was known as Junior Basic Training Centre (JBTC). Later it was amalgamated with Normal Training School (NTS), a training institute for Middle School teachers and became known as Undergraduate Teacher Training Institute (UGTTI) on September 19, 1974. Later, with the increasing number of graduate teachers, the nomenclature was changed to Teacher Training Institute (TTI) on July 1, 1980

TTI was later upgraded to DIET in December 1988 for the implementation of Centrally Sponsored Scheme for Restructuring and Reorganisation of Teacher Education. With the upgradation of TTI into DIET, Pre-Service Teacher Education which had long been discontinued was also revamped simultaneously.

DIET, Aizawl received recognition for D.El.Ed. Course from NCTE in July 19, 2000 and it is affiliated to Mizoram Board of School Education (MBSE). Intake capacity for D.El.Ed. is 120. In addition to D.El.Ed. programme, DIET Aizawl has also started B.Ed. programme from 2018 after recognition was granted by NCTE on 15th April, 2017 for an intake capacity of 50. Provisional Affiliation to Mizoram University was granted on 28th May, 2018. CCC Course is also offered in DIET Aizawl in collaboration with NIELIT. On July 2023, DIET Aizawl was converted to Centre of Excellence by the Ministry of Education, Department of School Education and Literacy in light of turning the functional DIETs in the country into district- level educational hubs of innovation and excellence.

Till August, 2026, a large number of trainees (pre-service and in-service) have passed out from this Institution. Details are as follows: -
